**Subject:** Bayou Corne Update?

We are having a briefing for our new boss just after noon today and looking for an update on the situation. In addition to the update, are there any new pictures? What is the current size of the sinkhole? And are in home monitors being installed in the homes?

I've been out for over a week and just getting back, so I apologize for the sudden request. Thanks.

This Email message contained an attachment named  
image001.jpg  
which may be a computer program. This attached  
computer program could  
contain a computer virus which could cause harm to  
EPA's computers,  
network, and data. The attachment has been deleted.

This was done to limit the distribution of computer  
viruses introduced  
into the EPA network. EPA is deleting all computer  
program attachments  
sent from the Internet into the agency via Email.

If the message sender is known and the attachment  
was legitimate, you  
should contact the sender and request that they  
rename the file name  
extension and resend the Email with the renamed  
attachment. After  
receiving the revised Email, containing the renamed  
attachment, you can  
rename the file extension to its correct name.

For further information, please contact the EPA Call  
Center at  
(866) 411-4EPA (4372). The TDD number is (866) 489-  
4900.
